Alma Mater	<i>Mr. Sexton and Audience</i>

**Audience will remain seated.*

A reception will be held immediately following the ceremony in the Downing University Center. All degree candidates, faculty, staff, family and friends are invited to attend.

RECOGNITION OF ACADEMIC ACHIEVEMENT

Undergraduate students who maintain outstanding scholastic achievement are recognized at commencement according to the following designations and are indicated in this commencement program with the respective symbols. Determination of the honors status is made during the current semester and is based upon the official academic record at that time. The final determination of those who actually receive this recognition is made at the conclusion of the term in which all degree requirements are met.

Degree candidates who are potential honors recipients wear red and white honor cords during the commencement ceremony. Further recognition is evidenced by placing the appropriate honor on the diploma and entering an appropriate notation on the official transcript.

With Distinction - The honor given to students who have completed their associate degree with a cumulative higher education grade point average of 3.4 - 3.69 and a minimum of 32 semester hours earned in residence at Western (+).

With High Distinction - The honor given to students who have completed their associate degree with a cumulative higher education grade point average of 3.7 - 4.0 and a minimum of 32 semester hours earned in residence at Western (++) .

Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.40 - 3.59 and a minimum of 64 semester hours earned in residence at Western (*).

Magna Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.60 - 3.79 and a minimum of 64 semester hours earned in residence at Western (**).

Summa Cum Laude - The honor given to students who have completed their baccalaureate study with a cumulative higher education grade point average of 3.80 - 4.00 and a minimum of 64 semester hours earned in residence at Western (***) .

In addition to the above honors, the baccalaureate student in each undergraduate college with the highest cumulative higher education grade point average and a minimum of 64 semester hours in residence is designated "Scholar of the College." The Ogden Trustees' Award is presented to the graduating senior with the highest cumulative grade point average with the entire baccalaureate program earned at Western.

CANDIDATES FOR DEGREES

The following list of candidates for graduation was prepared before final grades were reported and inclusion herein does not constitute evidence of graduation. The listing of a name in this program should not be construed as an indication that the person will in fact receive a degree from Western Kentucky University at this commencement. Conversely, the absence of a student's name from this list does not necessarily mean that the person will not be awarded a degree. The students whose names appear below made formal application for graduation by the date specified in the Academic Calendar.

Anita Gail Burnette

School Administration

Philpot, KY

ACADEMIC ATTIRE

A time-honored tradition of great dignity, the wearing of academic apparel is a survival of the ecclesiastical garb of the late Middle Ages, in turn a survival of still earlier civilian fashions. The academic gown, necessary for a scholar's warmth, and the hood to protect his tonsured head were apparently first regularly adopted in the thirteenth century at the University of Cambridge. The University of Oxford was soon to follow. The custom was transplanted to this country in colonial times by Kings College in New York, now Columbia University.

In 1895 American universities and colleges decided to standardize their academic styles and developed the intercollegiate code of academic custom. In general the style follows the Cambridge tradition. The characteristic elements of academic regalia are three: gown, hood and cap.

The gown is usually of black material (serge or worsted for bachelors, the same or silk for masters, and silk for doctors). The doctors' dress gowns of the chief British universities are scarlet. Bachelors' gowns have pointed sleeves; masters' have long closed sleeves, lunate at the bottom, with slits at the elbow from which the arms protrude; the doctors' have wide, round, open sleeves. Doctors' gowns are faced with panels of velvet down the front and three bars of velvet across each sleeve.

The hood, worn around the neck to hang down the back, is the principal emblem of the nature and source of the degree held. It is edged with velvet of the colors of the degree, while its lining of silk bears the colors of the institution which granted the degree. Bachelor's hoods are three feet long, masters' three and one-half, and doctors' hoods only have wide panels at the sides. Hoods may be worn only after the degree has been granted.

The cap, the square mortarboard in American universities but a round, soft, flat velvet hat in British, Canadian, and some European universities, bears a tassel which may be black for all ranks and degrees or may be of gold thread for doctors and the color of the degree for bachelors and masters. The doctors' caps only may be of velvet.

The degree colors are appropriate to the category of the degree, rather than to the scholar's major subject. For example, the appropriate color for degrees in Arts and Letters (B.A., M.A., B.Lit) is white; in Commerce, sapphire; in Dentistry, lilac; in Education, light blue; in Engineering, orange; in the Fine Arts, brown; in Humanities, crimson; in Laws, purple; in Library Science, lemon; in Medicine, green; in Music, pink; in Pharmacy, olive; in Philosophy (Ph.D), dark blue; in Physical Education, sage; in Science, golden yellow; in Theology, scarlet. These colors are used for the edgings of all hoods and may be used for the velvet facing and sleeve bars of the doctors' gowns and tassels on bachelors' and masters' caps.

The institutional colors, with which hoods are lined, indicate the university or college granting the degree. Among the hoods worn by our faculty members you may see here today are those for Arkansas, red and white; Auburn, orange with two navy chevrons; Chicago, maroon; Columbia, light blue with white chevron; Duke, royal blue with white chevron; Emory, navy blue with gold chevron; Harvard, crimson; Illinois, navy blue with two orange chevrons; Indiana, crimson with white chevrons; Iowa, old gold; John Hopkins, black with gold chevron; Kansas, navy blue with cardinal chevron; Kentucky, azure blue with white chevron; Louisiana State, purple with old gold, parti-per-chevron; Michigan, maize with azure blue chevron; Mississippi State, maroon chevron on white; Missouri, old gold with two black chevrons; New York, violet; North Carolina, light blue with two white chevrons; Northwestern, purple with gold chevrons; Ohio State, scarlet with silver gray chevrons; Princeton, orange with black chevron; Purdue, black with two gold chevrons; Radcliffe, crimson with white chevrons; Rice, silver above blue; Rochester, dandelion yellow; Rutgers, scarlet; Stanford, cardinal; Tennessee, white with orange chevrons; Texas, white above orange, parti-per-chevron; Vanderbilt, black and gold; Virginia, navy blue with orange chevron; Wisconsin, bright red; Yale, royal Yale blue. The colors of Western Kentucky University are one white chevron on a field of bright red.

All candidates for degrees and those who hold these degrees, including University officials, faculty, and visiting dignitaries, are attired in traditional cap and gown. Recipients of the associate degree at Western Kentucky University wear gray gowns and caps; recipients of the bachelor's degree wear black gowns and caps; and recipients of master's degrees and specialist degrees wear black caps and gowns with hoods of various colors.

HOOD COLORS FOR GRADUATE DEGREES

Light Blue	Specialist Degree in Education, Master of Arts in Education
White	Master of Arts in English, Folk Studies, History, Humanities and Psychology
Citron	Master of Arts in Sociology
Silver Gray	Master of Arts in Communication, Master of Arts in Interdisciplinary Administration
Golden Yellow	Master of Science in Biology, Chemistry, Computer Science, Geography, Mathematics, City and Regional Planning, Communication Disorders
Maize	Master of Science in Agriculture
Lemon	Master of Science in Library Science
Sage Green	Master of Science in Physical Education, Master of Science in Recreation
Salmon Pink	Master of Science in Health
Drab	Master of Business Administration, Master of Professional Accountancy
Peacock Blue	Master of Public Administration
Apricot	Master of Science in Nursing
Copper	Master of Arts in Economics

ALMA MATER

College Heights

College Heights, on hilltop fair,

With beauty all thine own,

Lovely jewel far more rare

Than graces any throne!

Chorus

College Heights, we hail thee;

We shall never fail thee

Falter never, live forever,

Hail! Hail! Hail!

Words by: Mary Francis Bradley

Music by: Ben Bradley
